PPP INVESTMENT OPPORTUNITIES

- PICNIC SITE OPPORTUNITIES IN THE KRUGER NATIONAL PARK AND SPECIFICALLY THE FOLLOWING PICNIC SITES: AFSAAL (LOCATED BETWEEN SKUKUZA AND MALELANE), TSHOKWANE (LOCATED BETWEEN SKUKUZA AND SATARA) AND NKHUHLU (LOCATED BETWEEN SKUKUZA AND LOWER SABIE)

South African National Parks (SANParks) intends to form Public Private Partnerships (PPP’s) in which it gives selected private parties the rights to operate picnic site facilities in the Kruger National Park. The opportunities are packaged to reflect SANParks’ requirements.

SANParks invites Private Parties who are experts in the restaurant and retail business to submit detailed bids in line with SANParks’ mandate and objectives for these PPP opportunities. Interested parties will be expected to meet certain criteria in order to qualify.

SANParks will enter into the PPP agreements with the preferred bidder for a period likely to provide a fair return on investment for the private parties. In return, the private parties will meet agreed operating, development, refurbishment, broad-based black economic empowerment (BBBEE) and environmental obligations, and pay a PPP fee to SANParks.

Interested parties is expected to obtain the Information Memorandum and Request for Proposal (RFP) documents, setting out further details of the criteria and process to be followed, from the SANParks website under the Special Groups Section and more specifically under the Tenders section:
